University of Sri Jayewardenepura

## Undergraduate Final Year Project -Proposal Form

**Please complete all of the following sections.**

### Candidate Details

|                    |  |
|--------------------|--|
| Student Full Name: |  |
| Registration No.   |  |
| Examination No.    |  |

### Supervisor Details

|                     |  |            |  |
|---------------------|--|------------|--|
| Supervisor (1) Name |  | Department |  |
| Supervisor (2) Name |  | Department |  |

### Project Details

|                  |                                                                                                                                                                                                                                                                                    |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Title            |                                                                                                                                                                                                                                                                                    |
| Objectives       | <p>SMART objectives should be around five but not less than three. Objectives must be outcome oriented. (Ex: To develop user registration module in the proposed system. / To design UML diagrams about the proposed system)</p> <p>1)</p> <p>2)</p> <p>3)</p> <p>4)</p> <p>5)</p> |
| Project proposal | Refer Appendix II for project proposal guidelines. Please attach the Project Proposal to this form in the time of submission.                                                                                                                                                      |

### Second Section (Only accessed by the Supervisors)

#### Filled by Supervisor

|          |                                                                                                                                                                          |
|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Decision | <ul style="list-style-type: none"> <li>Approved without changes</li> <li>Approved with minor or major revisions</li> <li>Rejected, requiring a new submission</li> </ul> |
| Comment  |                                                                                                                                                                          |

**Title of the Project**

**Faculty of Computing**

**University of Sri Jayewardenepura**

**Final Year Project Proposal**

**Name of the Candidate**

**Registration No.**

**Examination No.**

**Year**

**Content**

- 1) Title page (Please refer Appendix I)
- 2) Introduction
- 3) Problem Statement
- 4) Aim/ Objectives (Around 5 objectives)
- 5) Method/s
- 6) Research Contribution
- 7) Project Timeline (Please refer the example project timeline (Appendix II))
- 8) References (LNCS Referencing style)
- 9) Certification section

I hereby certify to the best of my knowledge that the details mentioned above are true and accurate.

| Signature of Candidate | Date |
|------------------------|------|
|                        |      |

I/ We hereby certify to the best of my/ our knowledge that the details mentioned above are true and accurate.

| Signature of Supervisor (s) | Date |
|-----------------------------|------|
|                             |      |
|                             |      |

Word Count: maximum 3000 including tables and figures

**Example Project Timeline (Gantt chart: Indicate Reflective Journal milestone)**

| No. | Task | Duration (Weeks) | Start Date | End Date |
|-----|------|------------------|------------|----------|
| 1.  |      |                  |            |          |
| 2.  |      |                  |            |          |
| 3.  |      |                  |            |          |
| 4.  |      |                  |            |          |
| 5.  |      |                  |            |          |
